

June 9 – 16, 2012

Letter of Invitation

Every year of my life I get to celebrate a birthday as I close out one year and watch another year begin. This year I was particularly impressed with the busyness of the holidays and of our daily lives. I am watching 6 grandchildren grow up before my eyes and life is just moving so fast. Preoccupation with the present causes us to miss the opportunities to witness God's plan for the future. That is the message I hear when see the years fleeting by like a car passing telephone poles.

That is exactly the message that I would like to send as I ask you to consider taking time to be part of our Camp Awana Honors Camp 2012 Staff. What a wonderful opportunity to work with young campers and help them see God's plan for their future. It was an amazing week we had last year as witnessed by the letters and e-mails that I have received. Many of you were part of that ministry touching lives of special Awana clubbers.

You see, in God's economy there are no little people and there are no little places...whether it be in a stable in Bethlehem or at a campfire at Camp Awana. I believe that God is going to use ordinary people to do some extraordinary things at a place called Camp Awana Honors Camp on a Wisconsin hillside. Fun and excitement will be enjoyed by all, character and leadership will be developed, and lives will be changed.

Camp Awana is a special spot blessed by God to reach the finest Awana clubbers and challenge them to live for Jesus and be leaders in their schools and churches. I would like for you to be part of that special week.

This is your letter of invitation to let me know that you will be with us June 9 – 16, 2012. Enclosed are two (2) applications. If you were with us last year, just fill out the short form and mail it back to me. If you were not with us last year, please fill out the longer form and send it in. You may have an Awana co-worker that you might want to invite with the other

application. We will be putting our leadership team together in the next 60 – 90 days, so the sooner you can let me know the better.

If you need additional camper applications and brochures for those in your church, please let me know. I do anticipate that camp will fill up early as usual.

Thank you for your ministry in the past and I look forward to hearing from you for this year.
