

June 09 – 16, 2012

Dear Awana Parent or Leader,

Camp Awana Honors Camp is happy to announce that we will be continuing the tradition of honors clubbers at summer camp since 1972. Camp Awana will host this special camp June 09 – 16, 2012. Campers should arrive after lunch on Saturday June 9. Campers will be ready for pick-up after breakfast, June 16.

Activities will include fishing, swimming (including the “blob”), softball, basketball, tennis, archery and mini golf, tetherball, basketball, and many others. Jerry Hooks will be there for high school activities. Don Anderson will be there for J.V. activities. Dave Pearson will be with us again. And many of your favorite leaders will be there for a repeat of all the great times we have enjoyed in the years past. Scripture memory and challenging Bible lessons will be studied. Special speakers are preparing for this life changing week.

The complete cost of our week long camp is \$325.00 for J.V. campers and \$350.00 for high school campers. The registration fee is \$125.00 with the balance due by May 1, 2012. **Please register early as camp fills up!** These fees do not include transportation to the camp or spending money for the canteen or crafts. They do include all study materials, awards, and camp shirt.

Please read this part carefully: Any Awana clubber, going into 6th grade or higher, who has finished any Awana handbook (Sparks, T&T, Trek, or Journey) is eligible to come to camp. For each book finished, a clubber is eligible for one year at camp. That means...a clubber who has finished 2 Sparks books and one T&T book = 3 year of camp eligibility. Also any clubber who has finished 2 Awana handbooks and is working as a junior leader = 3 years of camp eligibility. The clubber still has to be going into the 6th grade next year, but they might have earned several years of camp eligibility in advance.

So get registered for a great week at camp and bring your friends!!
