

Camp Awana Honors Camp

Will be here soon !!!!

June 12 – 19, 2010

At beautiful Camp Awana, Fredonia, Wis.

Dear Camper and Parents,

It is a great privilege for us to have you come. You are very special. Start praying now that God will do great things in your life during this special week. We have planned an exciting week for you. Some of the traditional camp activities are planned, but we have included many new and exciting things, too. **We want this to be a week that you will never forget.**

Parents, in case of EMERGENCY ONLY the phone number of camp is 262-692-2388. Best times to call will be 8:00 am, 12:00 noon, or 5:00 pm. A brochure is enclosed to give directions to the camp.

Campers should arrive after lunch on Saturday, June 12
Campers will be ready for pick-up after breakfast, June 19.

We will do everything in our power to ensure that your child has a good time. We have a veteran staff of counselors that have been working with Awana campers for many years. For the good of all the campers, we expect that your child will abide by the rules and regulations that have been established for camp.

If for some reason your child has a problem with the rules or will not cooperate, we do expect you to pick him or her up from camp. We cannot allow one camper to disrupt or spoil the time for the other campers. This is a rare occurrence and we counsel and give the camper an opportunity to correct his or her behavior. As a parent, I hope this is a comfort to you as many rules are safety related.

See you real soon!!

Dave Bilhorn

Camp Director (608) 884-4054 jdbilhorn@yahoo.com
